"SELF-DEFENSE" **BELIEVERS**

(Continued from Page 1) Charles A. Fidinger stated that he eid not believe in capital punishment wild was therefore excused. Samuel Callardesty was one of those who be-Hexed in self-defense and afterwards became an accepted juror. Malcolm Mucintyre was excused by the defense, enthony N. Gilman said that he had and facts about the case from parintimately acquainted with the matter, but that although be had heard ess he had formed no opinion. He thru made a statement in which he stated that he was the uncle of Mrs. Coderlot, and on those grounds was

John J. Walsh was another who was fluxly accepted. He also believes in the right of self-defense. George Anwas excused by the defense, Bush was passed for cause and aft-

Charles Deverill was let out by the ed that he knew Cederlet when he was cased by the court, and following him came J. M. McChesney, who was passed for cause and then excused by the d fense. Charles B. Osborne was excused by the prosecution, and the last come James P. Howart, a believer in cif defense, who was passed and finolly accepted

Mrs. McMahon was sitting in court all the mo ning and taking the keenist interest in the proceedings. Instead being back by the rail she was alvice as to what men should be chulned to rely on her intuition, for Afterowed her eyes and snapped out, "I don't like him," and that settled it.
